Chapter 1 by puppies4life

Lies. This was all lies. As I walked into the huge brick school, all the teachers had fake smiles. All the posters in the hall said stuff like, change starts with you, believe in yourself, and you can do anything. LIES!! This is not what middle school is like. That's why I moved from my old middle school. Middle school is the worst place on earth. They make it seem like rainbows and sunshine. But let me tell you my experience with middle school because it is the opposite of what they make it seem like.

Before she could say anymore, I slipped away into the wide crowd trying to get to their homerooms. Like everyone else, I checked my tiny slip of paper to find out where was my homeroom is.

I mumbled, "Room 209, 209. I wonder where that is?"

A voice rang out from behind me.
